

# Consoling the Heart of Jesus

Small-Group Retreat – part two of The Two Hearts  
Retreat Coordinator: Brian Lees

Join us for a 10 week small-group retreat that delves into the simplicity and grandeur of Consoling Spirituality. This retreat is based on the popular book by Fr. Michael Gaitley, MIC, *Consoling the Heart of Jesus*.

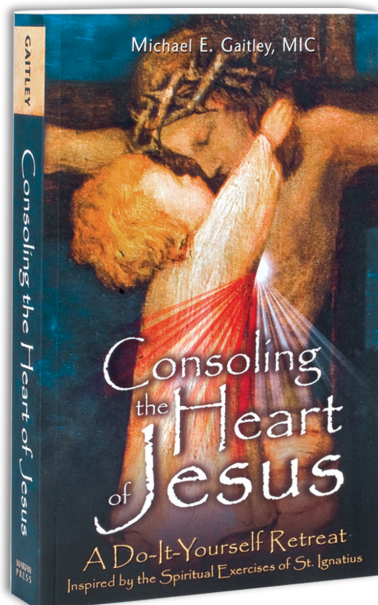

Gain new insights into how you can console Jesus; learn the keys to the great sanctity of the saints and blessededs like Thérèse of Lisieux, Faustina Kowalska, and Mother Teresa; and have the tools you'll need to cooperate with Mary, as our spiritual Mother, to lead you to the Sacred Heart of Jesus.

As you might have noticed in the previous issues of the bulletins, our parishes have a subscription service to the Catholic online sites of SYMBOLON and FORMED where we can find considerable faith oriented resources.

Full retreat materials for the Consoling the Heart of Jesus is now available on the FORMED site as part of the parish subscription. This includes downloadable books, participants' guides, coordinators guides and watchable videos.

***This now gives you some options for the supporting material of this retreat:***

**Option A:** Using the FORMED site. If you are not yet registered this is what you do:

Here is how to register to SYMBOLON and FORMED sites:

1. Go to <http://symboloncatholic.org/register> using Microsoft Internet Explorer browser.

3. Complete the form to register you as a user.
4. Once done, sign in to Symbolon as a user using your email and password established during registration.
5. This is the screen you will see:

6. By scrolling down a little, at left you come to the icon Part 1: Knowing the Faith
7. Clicking on this icon opens up DVD's for different Sessions.
8. Another icon on the main screen, below the Part 1: Knowing the Faith icon, is "Premium Resources" - by clicking on it you are able to get the Participants Guides for the different sessions.
9. Another icon at the top right of the main screen is "FORMED". This is an important resource site.
10. By clicking on the Register button you are taken to a screen where you set up your profile. **One thing to note** is that after filling out your name address and mail code, you will find no option for your province or the country. So insert Colorado for State and leave the country as US.
