

CATHOLIC CHILDREN'S CHOIR

Children will have the opportunity to freely be part of a Mass Choir & receive coaching from local professional musicians who have been trained in the Royal Conservatory of Music.

Participants will learn:

- rhythm exercises
- vocal warm-ups & ear training
- breathing techniques
- a small repertoire of hymns & parts of the Mass

Choir involvement and music programs have been shown to help build children's self-esteem and improve school subjects, such as math & reading.

Ages: Kindergarten - Grade 7

Practice: Thursday, May 30, 2024 @6pm

at Our Lady of the Valley Church
