## Follow-up on Bible-In-A-Year

Are you interested in deepening your understanding of Scripture in a supportive group setting? We invite you to participate in a “**Bible-In-A-Year**” study using the popular podcast produced by Ascencion Press, featuring daily readings and insightful commentary from Fr. Mike Schmitz.

Each day, you’ll listen independently to a podcast episode—about 20 minutes long—that guides you through passages of the Bible, accompanied by reflection and commentary. Then, once a week, we’ll come together online to share our thoughts, discuss what we’ve learned, and encourage one another. Once a month, our gathering will be in person, giving us a chance to connect more deeply as a parish community.

Weekly online meetings will begin in the **3rd week of January**. Monthly, the group will meet in person instead of online.

To participate, you’ll need access to the internet for both the online meetings and to listen to the podcast. Any computer, tablet, or smartphone will work—no special equipment required.

Everyone is welcome to join, regardless of prior experience or knowledge of the Bible.

Contact Nathalie Magel at [magelnathalie@gmail.com](mailto:magelnathalie@gmail.com) to join or with any questions.

We look forward to journeying through Scripture with you!

## What Is the Bible?

**The Bible—which is also called the Sacred Scriptures—tells the story of the loving relationship between God and humankind.** Through the sacred writings, God reveals to humankind the truth about God and God’s will for us. It is a library of books that is divided into two parts: the Old Testament (before Jesus) and the New Testament (after Jesus’ birth). Each part consists of a collection of books that are grouped into these sections:

- **The Pentateuch** (five books) tells about God’s Chosen People, the Israelites. You’ll read about their early stories, their history, and the laws God gave them.
- **The historical books** pick up Israelite history from 1250 BC to 100 BC. You will find accounts of the Israelites’ setting the Promised Land, the rise and fall of their kings, their dispersion into exile, and their eventual return to the Promised Land.
- **The biblical novellas** are three books that, contain entertaining stories told to instruct and encourage the people of God during critical times. They illustrate truths that transcend history.
- **The wisdom and poetry books** are a collection of hymns, poems, proverbs, and stories. They use imaginative language to make their points.
- **The prophets** are people who speak God’s word. In these books, you will find comfort and promise, as well as be challenged to act with justice and mercy.
- **The Gospels** (Good News) focus on the person and teachings of Jesus. **The Acts of the Apostles** shows how the Church was formed and how the first Christians spread the Good News. These books cover the time period from 5 BC to the early AD 60s.
- The **letters**, or **epistles** (written by Paul, his followers, and other disciples), are actual letters that describe the new Christian faith, give advice, and offer words of hope. **Revelation** is a collection of mystical visions written to encourage the early Christians who were being persecuted.

## Core Catholic Teachings on Reason and Revelation

The Catholic Church makes frequent appeal to human reason in teaching about the religious truths God has revealed.

- Revelation is God making himself and his divine place known to the human race through words and deeds in human history.
- The human person must trust God has revealed to the Church what God wants it to know for its salvation.
- In listening to the message of Creation and to the voice of conscience, every person can come to certainty about the existence of God.
- Through the natural light of human reason, the one true God can be known from his works—that is, from the world and from the human person. This is one reason the Church teaches that salvation is possible for every person, even those who have never heard of Jesus Christ.
- God revealed God’s self in order to restore the communion that human beings were created to have with God, before the relationship was broken by original sin.
- Revelation is communicated in the Bible’s stories of how God made God’s self known to the Chosen People by acting throughout their history. But when those attempts met with failure, God took a radical step. God sent God’s son Jesus Christ into the world as the savior. While remaining fully God, Jesus Christ is the full and complete Revelation of who God is, and through Christ God established the covenant with the human race forever. As the Bible tells us, “(Christ) is the image of the invisible God” (Col 1:15).
- Everything needed to be known about God; everything needed to be known for eternal union with God has been revealed in Christ. Nothing more needs to be added or taken away.

## Theology Class on the Eucharist

Our Lady of the Valley—7:00 pm  
(5 Wednesdays) Jan 14th, 21st, 28th, Feb 4th and 11th

A deep Appreciation of the Eucharist is fundamental for not only understanding the Catholic faith, but also for understanding the Mass and how to properly worship God and live your faith.

Join us for a transformative 5-lesson journey as we trace the story of salvation from the opening pages of Genesis to the crowning glory of Revelation! You’ll discover how the Old Testament foreshadowed the promise of the Eucharist and how Jesus Christ brings those promises to life in the New Testament. If you want to deepen your experience of the Mass and deepen your daily walk with God, this course is for you!

Come and see why Eucharist is not just a ritual, but the “source and summit of the Christian life” and the ultimate encounter with the Living God.
